# CLOTHES OF QUALITY AT PRICES THAT PLEASE

The sort of suit you should wear, sir, is here waiting for you. It's the sort of suit you need not worry about. Strange how the little feeling of unrest, that come from a doubt as to the appearance of his clothes, can interfere with even a sensible man's work and destroy his peace of mind. And we "put on a better front" when we're sure that we look right. The spring suit styles are handsome, but not radical in cut or fabric.

Coats of medium length, moderately form fitting. Liberal collars and lapels, closing with two and three buttons. Vests opening somewhat lower. Trousers easy, but not so full at hips. The fabrics are choice colorings in Chevoits, Tweeds, Cassimers, Serges, etc., etc. In short the New Spring Suits have a tone of distinction.

**\$6.00, \$8.00, \$10.00, \$12.00, \$13.50, \$15.00, \$16.50 TO \$18.00**
